WHAT EVERY DRIVER SHOULD KNOW BEFORE HITTING MELBOURNE ROADS

Melbourne has its own road rules. Knowing them before you drive makes the experience smoother, safer and stress-free.

Hook Turns

Required in the CBD

Toll Roads

Register before you drive

Parking

Timed and permit zones apply

No Phone Use

Hands-free only, always

Hook Turns

At certain CBD intersections, right-hand turns must be made from the left lane. Watch for the Hook Turn sign above the traffic lights.

Tram Tracks

Never stop on tram tracks. Give way to trams at all times. At stops without a safety island, stop behind disembarking passengers.

Toll Roads

CityLink and EastLink require a valid pass. Register online before driving or purchase a day pass. Unregistered use incurs fines.

Speed Zones

Default urban speed limit is 50 km/h. School zones drop to 40 km/h during school hours. Shared zones are 10 km/h.

Parking

Green, yellow and permit zones apply across the city. Check signage carefully. Tow trucks operate regularly in the CBD.
